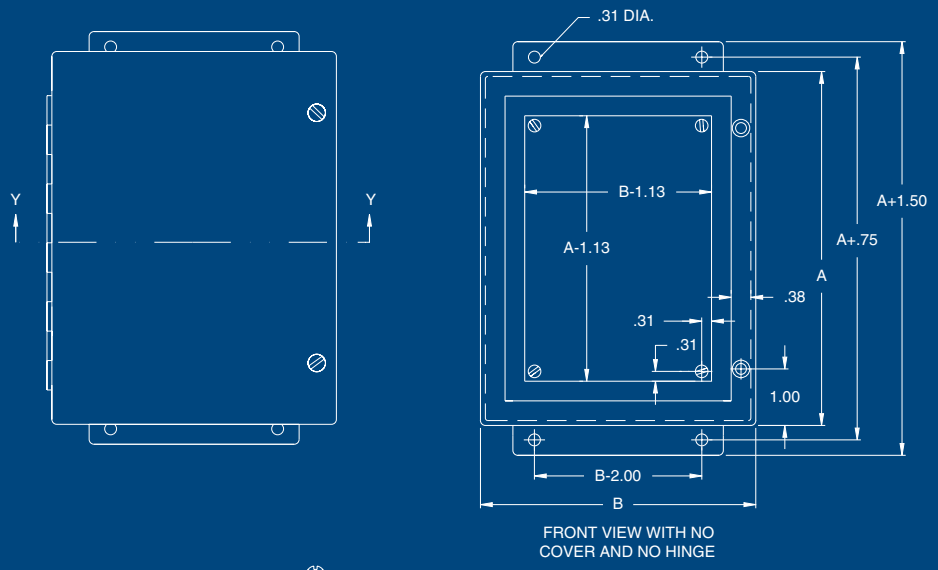
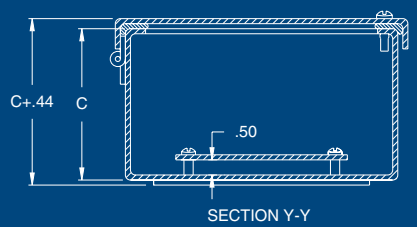
SMALL OILTIGHT ENCLOSURES

Austin small oiltight (STE) enclosures are Underwriters Laboratories Listed and are designed for use as electrical junction boxes, terminal wiring boxes, and instruments housing. They provide a degree of protection against dust, dirt, spraying of water, oil, and noncorrosive liquids.

Construction:

- Fabricated from 14 gauge steel.
- Door attached by continuous hinge and captivated screws threaded into sealed wells.
- Neoprene gasket attached to door with oil resistant adhesive.
- External mounting feet.
- Stand-offs provided for mounting optional panel.
- Continuously welded seams ground smooth.





Finish:

Austin small oiltight enclosures are provided standard with an ANSI 61 gray polyester powder coating. Optional panels are painted white.

Options:

- Special materials.
- Special finishes.
- Custom box size or construction.
- Hasp for padlocking.
